

## Mark C. de St. Aubin

Partner | Atlanta

Mark C. de St. Aubin is the Section Head and a Partner in the Construction Law Practice of Smith, Gambrell & Russell, LLP.

For twenty–seven years, Mr. de St. Aubin has advised clients on matters arising out of public and private construction projects across the country and throughout the world.

With a focus primarily on resolving construction project disputes through arbitration, mediation and the courts, Mr. de St. Aubin has also represented his clients in public contracting matters involving state and federal government agencies. The scope of issues litigated is broad, ranging from design deficiencies, delay, productivity, bid disputes, construction defects, scope change and project mismanagement.

In addition to litigating construction disputes, Mr. de St. Aubin has drafted and negotiated all types of construction agreements. Whether on behalf of owners, developers or contractors, his drafting and negotiating expertise spans from standard design-bid-build to public private partnership agreements, and all variety of construction, procurement and engineering agreements that lie in between or relate to the two.

Currently, Mr. de St. Aubin is a member of Public Private Partnership Subcommittee to the Georgia Commission on Freight and Logistics, which was established by the Georgia General Assembly in 2019. Mr. de St. Aubin previously served as Chair of the Steering Committee of the Georgia Alliance of Public Private Partnerships (GAP3), an affiliate of the Georgia Chamber of Commerce. He has lectured on the subject of public private partnerships and state existing legal impediments to P3 delivery in Georgia.

Mr. de St. Aubin dedicates significant time to the Atlanta community, he recently concluded his second term as a founding board member of the Cristo Rey Atlanta Jesuit High School. Mr. de St. Aubin is a past member of the Board of Catholic Charities Atlanta.
